In addition, there will be no points allocated toward SDB/SB participation for this procurement.

The proposal must remain valid for **120 days** or until a contract is fully executed, whichever is later. 16. Discussions for Clarification. Offerors may be required to make an oral or written clarification of their proposals to the Issuing Office to ensure thorough mutual understanding and responsiveness to the solicitation requirements. The Issuing Office will initiate requests for clarification. Clarifications may occur at any stage of the evaluation and selection process prior to contract execution.

Accordingly, except as provided herein, Offerors should not label proposal submissions as confidential or proprietary or trade secret protected. Any Offeror who determines that it must divulge such information as part of its proposal must submit the signed written statement described in subsection c. below. After contract award, the selected Offeror must additionally provide a redacted version of its proposal, which removes only the confidential proprietary information and trade secrets, for required public disclosure purposes.

B. Commonwealth Use. All material submitted with the proposal shall be considered the property of the Commonwealth of Pennsylvania. The Commonwealth has the right to use any or all ideas not protected by intellectual property rights that are presented in any proposal regardless of whether the proposal becomes part of a contract. Notwithstanding any Offeror copyright designations contained in proposals, the Commonwealth shall have the right to make copies and distribute proposals internally and to comply with public record or other disclosure **requirements** under the provisions of any Commonwealth or United States statute or regulation, or rule or order of any court of competent jurisdiction.

C. Public Disclosure. After the award of a contract pursuant to this RFP, all proposal submissions are subject to disclosure in response to a request for public records made under the Pennsylvania Right-to-Know-Law, 65 P.S. § 67.101, et seq. If a proposal submission contains confidential proprietary information or trade secrets, a signed written statement to this effect must be provided with the submission in accordance with 65 P.S. § 67.707(b) for the information to be considered exempt under 65 P.S. § 67.708(b)(11) from public records requests. If financial capability information is submitted, such financial capability information is exempt from public records disclosure under 65 P.S. § 67.708(b)(26).

19. Best and Final Offers (BAFO). The Issuing Office reserves the right to conduct discussions with Offerors for the purpose of obtaining "best and final offers" in one or more of the following ways, in any combination and order: schedule oral presentations, request revised proposals, conduct an online auction, and enter into pre-selection negotiations.

The following Offerors will **not** be invited by the Issuing Office to submit a Best and Final Offer: those Offerors which the Issuing Office has determined to be not responsible or whose proposals the Issuing Office has determined to be not responsive; those Offerors which the Issuing Office has determined in accordance with the **Offeror Responsibility** subsection from the submitted and gathered financial and other information, do not possess the financial capability, experience or qualifications to assure good faith performance of the contract; and those Offerors whose score for their technical submittal of the proposal is less than 75 % of the total amount of technical points allotted to the technical criterion.

The Issuing Office may further limit participation in the best and final offers process to those remaining responsible Offerors which the Issuing Office has determined to be within the top

competitive range of responsive proposals. The Evaluation Criteria shall also be used to evaluate the Best and Final offers. Price reductions offered through any online auction shall have no effect upon the Offeror's Technical Submittal.

20. News Releases. Offerors shall not issue news releases, Internet postings, advertisements or any other public communications pertaining to this Project without prior written approval of the Issuing Office, and then only in coordination with the Issuing Office.

21. Term of Contract. The term of the contract will commence on the Effective Date and will end one year with four optional one year renewals. The Issuing Office will fix the Effective Date after the contract has been fully executed by the selected Offeror and by the Commonwealth and all approvals required by Commonwealth contracting procedures have been obtained. The selected Offeror shall not start the performance of any work prior to the Effective Date of the contract, and the Commonwealth shall not be liable to pay the selected Offeror for any service or work performed or expenses incurred before the Effective Date of the contract.

22. Notification of Selection for Contract Negotiations. The Issuing Office will notify all Offerors in writing of the Offeror selected for contract negotiations after the Issuing Office has determined, taking into consideration all of the evaluation factors, the proposal that is the most advantageous to the Issuing Office. Prior to execution of the contract resulting from the RFP, the selected Offeror must be registered in the Commonwealth of Pennsylvania's Vendor Master file. In order to register, Offerors must visit the Pa Supplier Portal at <https://www.pasupplierportal.state.pa.us/> or call the Customer Support Center at 877-435-7363.

23. Notification of Award. Offerors whose proposals are not selected will be notified when contract negotiations have been successfully completed, and the Issuing Office has received the final negotiated contract signed by the selected Offeror.

24. Debriefing Conferences. Upon notification of award, Offerors whose proposals were not selected will be given the opportunity to be debriefed. The Issuing Office will schedule the debriefing at a mutually agreeable time. The debriefing will not compare the Offeror with other Offerors, other than the position of the Offeror's proposal in relation to all other Offeror proposals. An Offeror's exercise of the opportunity to be debriefed does not constitute nor toll the time for filing a protest.

25. RFP Protest Procedure. The RFP Protest Procedure is on the DGS website at [click here](#) . A protest by a party that has not or has not yet submitted a proposal must be filed no later than the proposal submission deadline. Offerors may file a protest within seven days after the protesting Offeror knew or should have known of the facts giving rise to the protest, but in no event may an Offeror file a protest later than seven days after the date the notice of award of the contract is posted on the DGS website. The date of filing is the date of receipt of the protest. A protest must be filed in writing with the Issuing Office. To be timely, the protest must be received by 4:00 p.m. on the seventh day.

26. Attachments to the RFP. All attachments to the RFP, including those contained in the **Buyer Attachments, RFP Questions** and **Additional Required Documentation** sections, are incorporated into and made part of the RFP.

27. Evaluation Criteria. The Issuing Office has selected a committee of qualified personnel to review and evaluate timely submitted proposals. The following criteria will be used in evaluating each proposal:

A. Technical: The Issuing Office has established the weight for the Technical criterion for this RFP as 65% of the total points. Evaluation will be based upon the following: **Soundness of Approach, Offeror Qualifications, Installation Timeline** The final Technical scores are determined by giving the maximum number of technical points available to the proposal(s) with the highest raw technical score. The remaining proposals are rated by applying the Technical Scoring Formula set forth at the following webpage: https://www.dgs.pa.gov/Materials-Services-Procurement/Procurement-Resources/Pages/RFP_SCORING_FORMULA.aspx

B. Cost: The Issuing Office has established the weight for the Cost criterion for this RFP as 35% of the total points. The cost criterion is rated by giving the proposal with the lowest total cost the maximum number of Cost points available. The remaining proposals are rated by applying the Cost Formula set forth at the following webpage: https://www.dgs.pa.gov/Materials-Services-Procurement/Procurement-Resources/Pages/RFP_SCORING_FORMULA.aspx

C. Domestic Workforce Utilization: Any points received for the Domestic Workforce Utilization criterion are bonus points in addition to the total points for this RFP. The maximum amount of bonus points available is 3% of the total points for this RFP. To the extent permitted by the laws and treaties of the United States, each proposal will be scored for its commitment to use domestic workforce in the fulfillment of the contract. Maximum consideration will be given to those Offerors who will perform the contracted direct labor exclusively within the geographical boundaries of the United States or within the geographical boundaries of a country that is a party to the World Trade Organization Government Procurement Agreement. Those who propose to perform a portion of the direct labor outside of the United States and not within the geographical boundaries of a party to the World Trade Organization Government Procurement Agreement will receive a correspondingly smaller score for this criterion. The Domestic Workforce Utilization Formula is at the following webpage: https://www.dgs.pa.gov/Materials-Services-Procurement/Procurement-Resources/Pages/RFP_SCORING_FORMULA.aspx

28. Offeror Responsibility. To be responsible, an Offeror must submit a responsive proposal and possess the capability to fully perform the contract requirements in all respects and the integrity and reliability to assure good faith performance of the contract. In order for an Offeror to be considered responsible for this RFP and therefore eligible for selection for best and final offers or selection for contract negotiations:

The total score for the technical submittal of the Offeror's proposal must be greater than or equal to **75%** of the available technical points and the Offeror must demonstrate the financial capability to assure good faith performance of the contract.

An Offeror who fails to demonstrate sufficient financial capability to assure good faith performance of the contract as specified herein may be considered by the Issuing Office, in its sole discretion, for Best and Final Offers or contract negotiation contingent upon such Offeror providing contract performance security for the first contract year cost proposed by the Offeror in a form acceptable to the Issuing Office. Based on the financial condition of the Offeror, the Issuing Office may require a

certified or bank (cashier's) check, letter of credit, or performance bond conditioned upon the faithful performance of the contract by the Offeror. The required performance security must be issued or executed by a bank or surety company authorized to do business in the Commonwealth. The cost of the required performance security will be the sole responsibility of the Offeror and cannot increase the Offeror's cost proposal or the contract cost to the Commonwealth.

Further, the Issuing Office will award a contract only to an Offeror determined to be responsible in accordance with the most current version of [Commonwealth Management Directive 215.9, Contractor Responsibility Program](#).

29. Final Ranking and Award. After any best and final offer process is conducted, the Issuing Office will combine the evaluation committee's final technical scores, the final cost scores, and the domestic workforce utilization scores. The Issuing Office will rank responsible Offerors according to the total overall score assigned to each in descending order. The Issuing Office must select for contract negotiations the Offeror with the highest overall score. The Issuing Office has the discretion to reject all proposals or cancel the request for proposals at any time prior to the time a contract is fully executed when it is in the best interests of the Commonwealth. The reasons for the rejection or cancellation shall be made part of the contract file.
