Iowa DPD seeks professional services for the construction of an utility monitoring system. The system includes
Description nment meters, housings, and communication pathways using contractor-provided wireless
communication from individual facilities to contractor's cloud-based storage system. The
cloud-based information management system includes historian, monthly reporting, and query functions for
consumption by utility, by
building, by reimbursable status, and by meter across varying time ranges. Alerts for missing consumption or
inactive communication that
are also compiled into a monthly report.

All bids must be entered via the IMPACS items section. Bidders must also upload their form of bid and TSB form.

Issuing Officer: Philip Payton. 515-975-6211. philip.payton@dpd.iowa.gov
