necessary to provide the *Services*. *Business Associate* shall not Use or Disclose *PHI* in any manner that would constitute a violation of the Privacy Rule if Used or Disclosed by Covered Entity in that manner. *Business Associate* may not Use or Disclose *PHI* other than as permitted or required by this Agreement or as *Required by Law* and only in compliance with applicable laws and regulations.

3.2 *Business Associate* may make *PHI* available to its Workforce, *Agent* and *Subcontractor* who need Access to perform *Services* as permitted by this Agreement, provided that *Business Associate* makes them aware of the Use and Disclosure restrictions in this Agreement and binds them to comply with such restrictions.

4. **Business Activities.** *Business Associate* may Use *PHI* if necessary for *Business Associate's* proper management and administration or to carry out its legal responsibilities. *Business Associate* may Disclose *PHI* for *Business Associate's* proper management and administration or to carry out its legal responsibilities if a Disclosure is *Required by Law* or if *Business Associate* obtains reasonable written assurances via a written agreement from the Person to whom the information is to be Disclosed that such *PHI* shall remain confidential and be Used or further Disclosed only as *Required by Law* or for the purpose for which it was Disclosed to the Person, and the Agreement requires the Person to notify *Business Associate*, within five (5) business days, in writing of any *Breach* of Unsecured *PHI* of which it is aware. Such Uses and Disclosures of *PHI* must be of the minimum amount necessary to accomplish such purposes.

5. **Electronic PHI Security Rule Obligations.**

5.1 With respect to *Electronic PHI*, *Business Associate* shall:

- a) Implement and use Administrative, Physical, and Technical Safeguards in compliance with 45 CFR sections 164.308, 164.310, and 164.312;
- b) Identify in writing upon request from Covered Entity all the safeguards that it uses to protect such *Electronic PHI*;
- c) Prior to any Use or Disclosure of *Electronic PHI* by an *Agent* or *Subcontractor*, ensure that any *Agent* or *Subcontractor* to whom it provides *Electronic PHI* agrees in writing to implement and use Administrative, Physical, and Technical Safeguards that reasonably and appropriately protect the Confidentiality, Integrity and Availability of *Electronic PHI*. The written agreement must identify Covered Entity as a direct and intended third party beneficiary with the right to enforce any breach of the agreement concerning the Use or Disclosure of *Electronic PHI*, and be provided to Covered Entity upon request;
- d) Report in writing to Covered Entity any *Successful Security Incident* or *Targeted Unsuccessful Security Incident* as soon as it becomes aware of such incident and in no event later than five (5) business days after such awareness. Such *Report* shall be timely made notwithstanding the fact that little information may be known at the time of the *Report* and need only include such information then available;
- e) Following such *Report*, provide Covered Entity with the information necessary for Covered Entity to investigate any such incident; and

f) Continue to provide to Covered Entity information concerning the incident as it becomes available to it.

5.2 Reporting *Unsuccessful Security Incidents*. *Business Associate* shall provide Covered Entity upon written request a *Report* that: (a) identifies the categories of Unsuccessful Security Incidents; (b) indicates whether *Business Associate* believes its current defensive security measures are adequate to address all *Unsuccessful Security Incidents*, given the scope and nature of such attempts; and (c) if the security measures are not adequate, the measures *Business Associate* will implement to address the security inadequacies.

5.3 *Business Associate* shall comply with any reasonable policies and procedures Covered Entity implements to obtain compliance under the Security Rule.

6. **Reporting and Documenting Breaches.**

6.1 *Business Associate* shall *Report* to Covered Entity any *Breach* of Unsecured *PHI* as soon as it, or any Person to whom *PHI* is disclosed under this Agreement, becomes aware of any such *Breach*, and in no event later than five (5) business days after such awareness, except when a law enforcement official determines that a notification would impede a criminal investigation or cause damage to national security. Such *Report* shall be timely made notwithstanding the fact that little information may be known at the time of the *Report* and need only include such information then available.

6.2 Following the *Report* described in 6.1, *Business Associate* shall conduct a risk assessment and provide it to Covered Entity with a summary of the event. *Business Associate* shall provide Covered Entity with the names of any *Individual* whose Unsecured *PHI* has been, or is reasonably believed to have been, the subject of the *Breach* and any other available information that is required to be given to the affected *Individual*, as set forth in 45 CFR § 164.404(c). Upon request by Covered Entity, *Business Associate* shall provide information necessary for Covered Entity to investigate the impermissible Use or Disclosure. *Business Associate* shall continue to provide to Covered Entity information concerning the *Breach* as it becomes available.

6.3 When *Business Associate* determines that an impermissible acquisition, Access, Use or Disclosure of *PHI* for which it is responsible is not a *Breach*, and therefore does not necessitate notice to the impacted *Individual*, it shall document its assessment of risk, conducted as set forth in 45 CFR § 402(2). *Business Associate* shall make its risk assessment available to Covered Entity upon request. It shall include 1) the name of the person making the assessment, 2) a brief summary of the facts, and 3) a brief statement of the reasons supporting the determination of low probability that the *PHI* had been compromised.

7. **Mitigation and Corrective Action.** *Business Associate* shall mitigate, to the extent practicable, any harmful effect that is known to it of an impermissible Use or Disclosure of *PHI*, even if the impermissible Use or Disclosure does not constitute a *Breach*. *Business Associate* shall draft and carry out a plan of corrective action to address any incident of impermissible Use

or Disclosure of *PHI*. *Business Associate* shall make its mitigation and corrective action plans available to Covered Entity upon request.

8. Providing Notice of Breaches.

8.1 If Covered Entity determines that a *Breach* of *PHI* for which *Business Associate* was responsible, and if requested by Covered Entity, *Business Associate* shall provide notice to the *Individual* whose *PHI* has been the subject of the *Breach*. When so requested, *Business Associate* shall consult with Covered Entity about the timeliness, content and method of notice, and shall receive Covered Entity's approval concerning these elements. *Business Associate* shall be responsible for the cost of notice and related remedies.

8.2 The notice to affected *Individuals* shall be provided as soon as reasonably possible and in no case later than sixty (60) calendar days after *Business Associate* reported the *Breach* to Covered Entity.

8.3 The notice to affected *Individuals* shall be written in plain language and shall include, to the extent possible: 1) a brief description of what happened; 2) a description of the types of Unsecured *PHI* that were involved in the *Breach*; 3) any steps *Individuals* can take to protect themselves from potential harm resulting from the *Breach*; 4) a brief description of what the *Business Associate* is doing to investigate the *Breach* to mitigate harm to *Individuals* and to protect against further *Breaches*; and 5) contact procedures for *Individuals* to ask questions or obtain additional information, as set forth in 45 CFR § 164.404(c).

8.4 *Business Associate* shall notify *Individuals* of *Breaches* as specified in 45 CFR § 164.404(d) (methods of *Individual* notice). In addition, when a *Breach* involves more than 500 residents of Vermont, *Business Associate* shall, if requested by Covered Entity, notify prominent media outlets serving Vermont, following the requirements set forth in 45 CFR § 164.406.

9. Agreements with Subcontractors. *Business Associate* shall enter into a Business Associate Agreement with any *Subcontractor* to whom it provides *PHI* to require compliance with HIPAA and to ensure *Business Associate* and *Subcontractor* comply with the terms and conditions of this Agreement. *Business Associate* must enter into such written agreement before any Use by or Disclosure of *PHI* to such *Subcontractor*. The written agreement must identify Covered Entity as a direct and intended third party beneficiary with the right to enforce any breach of the agreement concerning the Use or Disclosure of *PHI*. *Business Associate* shall provide a copy of the written agreement it enters into with a *Subcontractor* to Covered Entity upon request. *Business Associate* may not make any Disclosure of *PHI* to any *Subcontractor* without prior written consent of Covered Entity.

10. Access to PHI. *Business Associate* shall provide access to *PHI* in a Designated Record Set to Covered Entity or as directed by Covered Entity to an *Individual* to meet the requirements under 45 CFR § 164.524. *Business Associate* shall provide such access in the time and manner reasonably designated by Covered Entity. Within five (5) business days, *Business Associate* shall forward to Covered Entity for handling any request for Access to *PHI* that *Business Associate* directly receives from an *Individual*.

11. Amendment of PHI. *Business Associate* shall make any amendments to *PHI* in a Designated Record Set that Covered Entity directs or agrees to pursuant to 45 CFR § 164.526, whether at the request of Covered Entity or an *Individual*. *Business Associate* shall make such amendments in the time and manner reasonably designated by Covered Entity. Within five (5) business days, *Business Associate* shall forward to Covered Entity for handling any request for amendment to *PHI* that *Business Associate* directly receives from an *Individual*.

12. Accounting of Disclosures. *Business Associate* shall document Disclosures of *PHI* and all information related to such Disclosures as would be required for Covered Entity to respond to a request by an *Individual* for an accounting of disclosures of *PHI* in accordance with 45 CFR § 164.528. *Business Associate* shall provide such information to Covered Entity or as directed by Covered Entity to an *Individual*, to permit Covered Entity to respond to an accounting request. *Business Associate* shall provide such information in the time and manner reasonably designated by Covered Entity. Within five (5) business days, *Business Associate* shall forward to Covered Entity for handling any accounting request that *Business Associate* directly receives from an *Individual*.

13. Books and Records. Subject to the attorney-client and other applicable legal privileges, *Business Associate* shall make its internal practices, books, and records (including policies and procedures and *PHI*) relating to the Use and Disclosure of *PHI* available to the Secretary of Health and Human Services (HHS) in the time and manner designated by the Secretary. *Business Associate* shall make the same information available to Covered Entity, upon Covered Entity's request, in the time and manner reasonably designated by Covered Entity so that Covered Entity may determine whether *Business Associate* is in compliance with this Agreement.

14. Termination.

14.1 This Agreement commences on the Effective Date and shall remain in effect until terminated by Covered Entity or until all the *PHI* is destroyed or returned to Covered Entity subject to Section 18.8.

14.2 If *Business Associate* fails to comply with any material term of this Agreement, Covered Entity may provide an opportunity for *Business Associate* to cure. If *Business Associate* does not cure within the time specified by Covered Entity or if Covered Entity believes that cure is not reasonably possible, Covered Entity may immediately terminate the Contract or Grant without incurring liability or penalty for such termination. If neither termination nor cure are feasible, Covered Entity shall report the breach to the Secretary of HHS. Covered Entity has the right to seek to cure such failure by *Business Associate*. Regardless of whether Covered Entity cures, it retains any right or remedy available at law, in equity, or under the Contract or Grant and *Business Associate* retains its responsibility for such failure.

15. Return/Destruction of PHI.

15.1 *Business Associate* in connection with the expiration or termination of the Contract or Grant shall return or destroy, at the discretion of the Covered Entity, *PHI* that *Business Associate* still maintains in any form or medium (including electronic) within thirty (30) days after such expiration or termination. *Business Associate* shall not retain any copies of *PHI*. *Business Associate* shall certify in writing and report to Covered Entity (1) when all *PHI* has

been returned or destroyed and (2) that *Business Associate* does not continue to maintain any *PHI*. *Business Associate* is to provide this certification during this thirty (30) day period.

15.2 *Business Associate* shall report to Covered Entity any conditions that *Business Associate* believes make the return or destruction of *PHI* infeasible. *Business Associate* shall extend the protections of this Agreement to such *PHI* and limit further Uses and Disclosures to those purposes that make the return or destruction infeasible for so long as *Business Associate* maintains such *PHI*.

16. Penalties. *Business Associate* understands that: (a) there may be civil or criminal penalties for misuse or misappropriation of *PHI* and (b) violations of this Agreement may result in notification by Covered Entity to law enforcement officials and regulatory, accreditation, and licensure organizations.

17. Training. *Business Associate* understands its obligation to comply with the law and shall provide appropriate training and education to ensure compliance with this Agreement. If requested by Covered Entity, *Business Associate* shall participate in Covered Entity's training regarding the Use, Confidentiality, and Security of *PHI*; however, participation in such training shall not supplant nor relieve *Business Associate* of its obligations under this Agreement to independently assure compliance with the law and this Agreement.

18. Miscellaneous.

18.1 In the event of any conflict or inconsistency between the terms of this Agreement and the terms of the Contract or Grant, the terms of this Agreement shall govern with respect to its subject matter. Otherwise, the terms of the Contract or Grant continue in effect.

18.2 Each party shall cooperate with the other party to amend this Agreement from time to time as is necessary for such party to comply with the Privacy Rule, the Security Rule, or any other standards promulgated under HIPAA. This Agreement may not be amended, except by a writing signed by all parties hereto.

18.3 Any ambiguity in this Agreement shall be resolved to permit the parties to comply with the Privacy Rule, Security Rule, or any other standards promulgated under HIPAA.

18.4 In addition to applicable Vermont law, the parties shall rely on applicable federal law (e.g., HIPAA, the Privacy Rule, Security Rule, and HITECH) in construing the meaning and effect of this Agreement.

18.5 *Business Associate* shall not have or claim any ownership of *PHI*.

18.6 *Business Associate* shall abide by the terms and conditions of this Agreement with respect to all *PHI* even if some of that information relates to specific services for which *Business Associate* may not be a "*Business Associate*" of Covered Entity under the Privacy Rule.

18.7 *Business Associate* is prohibited from directly or indirectly receiving any remuneration in exchange for an *Individual's PHI*. *Business Associate* will refrain from marketing activities that would violate HIPAA, including specifically Section 13406 of the HITECH Act. *Reports* or data containing *PHI* may not be sold without Covered Entity's or the affected Individual's written consent.

18.8 The provisions of this Agreement that by their terms encompass continuing rights or responsibilities shall survive the expiration or termination of this Agreement. For example: (a) the provisions of this Agreement shall continue to apply if Covered Entity determines that it would be infeasible for *Business Associate* to return or destroy *PHI* as provided in Section 14.2 and (b) the obligation of *Business Associate* to provide an accounting of disclosures as set forth in Section 12 survives the expiration or termination of this Agreement with respect to accounting requests, if any, made after such expiration or termination.
