**To:** Whom it may concern

**Subject:** Expression of Interest (EOI) – Real Time Condition Based Remote Monitoring System

SEPTA is conducting an industry review to gain market insight with the goal of finalizing its Request for Proposal (“RFP”) solicitation documents. SEPTA is seeking input from experienced proposers for Real Time Condition Based Remote Monitoring System.

All questions pertaining to this EOI must be submitted in writing to Michael Piselli, via e-mail [9\(mpiselli@septa.org\)](mailto:mpiselli@septa.org), **no later than 4:00 pm (EST) on Thursday, May 14, 2026**. The answers to all technical questions submitted will be forwarded to all prospective respondents.

SEPTA requests that interested parties submit an EOI response document containing comments to the technical specification **no later than 4:00 pm EST on Friday, May 29, 2026**.

SEPTA does not intend to hold discussions at this time; however, SEPTA may contact interested parties to schedule individual meetings with SEPTA’s staff either at our headquarters in Philadelphia or virtually via teleconference. When the review is completed, SEPTA intends to solicit and then award a contract for the vehicles.

Interested parties’ submissions will be in the form of comments pertaining to the attached Technical Specification. For reference, the following Exhibits are included:

- A. Specification S-5174 – Real Time Condition Based Remote Monitoring System

***Please note: This is not a vendor selection process***

If your organization is interested in this project, please send an "EOI" letter, to the attention of Michael Piselli, via email, at [mpiselli@septa.org](mailto:mpiselli@septa.org)

In participating in this EOI, the Proposer is unconditionally agreeing to the following; (i) SEPTA will be authorized to use any information submitted, referenced, or presented during this EOI including, but not limited to, within the final specification; (ii) SEPTA shall be

authorized to reproduce, distribute, display, and create derivative works from any information received during this EOI; and (iii) SEPTA shall not be obligated to engage or otherwise compensate Proposer in any manner or for any reason for SEPTA's use of any information and / or material submitted by during this EOI, or information contained therein, or any other right granted hereunder.

This letter must **not** be interpreted as an award of a contract or as a commitment to reimburse for any costs incurred in the preparation or participation of this EOI.

Thank you for your interest in the Authority.

Sincerely,

*Michael Piselli*
