

April 7, 2026

**To: Whom It May Concern**

**Subject: Expression of Interest (EOI) – Integrated Platform-as-a-Service (iPaaS)**

SEPTA is seeking qualified firms to provide an integrated platform as a service (iPaaS) solution to support enterprise-wide integration, automation, orchestration, and API management. The intent is to reduce time and cost of system integration, improve data quality and interoperability, enable reusable integration assets and API catalogs, strengthen integration governance and security, support modernization initiatives and cloud migration and improve operational visibility and integration reliability. This may lead to the potential for a future solicitation of a Request for Proposal (“RFP”).

SEPTA requests that interested parties submit an EOI response document containing responses to the Authority’s technical specification **no later than Thursday, April 30, 2026 by 2:00 pm ET**.

SEPTA does not intend to hold discussions at this time; however, SEPTA may contact interested parties to schedule individual meetings with SEPTA’s staff either at our headquarters in Philadelphia or virtually via video conference.

All questions pertaining to this EOI must be submitted in writing to Racquel Burden, via e-mail [rburden@septa.org](mailto:rburden@septa.org)), **no later than Tuesday, April 14, 2026 by 2:00 pm ET**. The answers to all questions submitted will be forwarded to all prospective respondents.

If your organization is interested in this project, please submit all documentation to me, via email, at [rburden@septa.org](mailto:rburden@septa.org).

By participating in this EOI the Proposer is unconditionally agreeing to the following: (i) SEPTA will be authorized to use any information submitted, referenced, or presented during this EOI including, but not limited to a potential Scope of Services; (ii) SEPTA shall be authorized to reproduce, distribute, display, and create derivative works from any information received during this EOI; and (iii) SEPTA shall not be obligated to engage or otherwise compensate Proposer in any manner or for any reason for SEPTA’s use of any information and/or material submitted by Proposer during this EOI or information contained therein, or any other right granted hereunder.

**Please note:** This is not a vendor selection process. This letter must not be interpreted as an award of a contract or as a commitment to reimburse for any costs incurred in the preparation or participation of this EOI.

Thank you for your interest in the Authority.

Sincerely,

***Racquel Burden***
