Sincerely,

*Justin Benante*

Justin Benante  
Sr. Contract Administrator  
Procurement & Supply Chain Management Dept.

**SEALED BID No. 26-00105-AJEB**

**Traction Power Substation Rehabilitation Program – Contract 5 Broad, Loudon, Park and Castor Substations Project**

**ADDENDUM No. 5**

To All Bidders:

The following constitutes Addendum No. 5 to SEPTA's **Sealed Bid No. 26-00105-AJEB Traction Power Substation Rehabilitation Program – Contract 5 Broad, Loudon, Park and Castor Substations Project**. Addendum No. 5 must be acknowledged by inserting the date on the Addenda Response form. Failure to do so may render a bidder's proposal as non-responsive. Addendum No. 5 must be acknowledged by inserting the date of the Addendum within Attachment 4: ADDENDUM ACKNOWLEDGEMENT SHEET of the Bid Package. Failure to do so may render a bidder's proposal as non-responsive.

Questions and Answers issued with this Addendum No. 5 are hereby incorporated by reference and made part of the Terms and Conditions of this project

**A. General**

1.

**B. Specifications,**

1. N/A

**C. Drawings & Attachments**

1. Please see referenced documents from Question 3 below.

**D. Questions & Answers**

Please see answers in **RED** below.

2. Can you please confirm whether there is any scope of work for glaziers on this project, including entranceways, aluminum and glass storefront systems, windows, specialty glass, or any other glazing-related work?

**Yes, there is glazing work in the project. Please check the specifications and drawings for the complete scope.**

3. Specification section 01010.1.02.N lists a table (01010-1) of reference documents that were obtained or developed in conjunction with the contract documents. It does not appear that these reference documents have been provided with the bid documents.

While it is acknowledged that these documents have no contractual basis for design and construction, access to the documents could provide key information of existing site conditions and will aid in the development of the Part 1 Technical Proposal.

We ask that SEPTA please provide the reference documents immediately so that we can review and include the pertinent information in our project understanding approach.

Please see attached reference documents in this Addendum 5.
