RFP Due Date: July 21, 2026 @ 2:00 PM AST

**The following are vendor questions and the department's responses:**

1. Vendor: Can you tell me if the engineering consultant that authored the PER is eligible for award on this contract? Also, if you're at liberty to say, can you share whether or not ADEC has been happy with their work to date?

Department: Yes, the contractor that authored the Preliminary Engineering Report (PER) can submit a proposal that may be eligible for award. Contractor performance is not public information.
