Sandhill Restoration 26/27 Timber Sale

The Florida Department of Agriculture and Consumer Services, Florida Forest Service is seeking sealed bids for the sale of timber. This is a per unit clearcut sale of approximately 127 acres of mature sand pine plantation on the Spring Creek Unit of Big Bend Wildlife Management Area (WMA) located in Taylor County, Florida (see attached maps). All merchantable sand pine within the sale boundary is to be cut and removed from the site. The estimated tonnage of sand pine is 10,225 tons pine pulpwood/mulch wood. Sale boundaries are delineated by roads, fire lines, and timber type changes. The term of this agreement will be twelve (12) months. Interested parties may obtain complete bid information by contacting Michael Edwards at (352) 710-4011.

The Florida Forest Service reserves the right to reject any and all bids and to waive any irregularity in bids received.

Bids will be opened at:

15019 Broad Street, Brooksville, FL 34601
07/21/2026 10:00 AM, EDT
