The road will be restored after the new culvert is installed. Approximately 36 LF of 24-inch CMP will be cured-in-place lined (CIPP). Plans for Donny Brook Lane Stormwater Improvement Project have been prepared by RINDT, Inc. (“RINDT”), Meg Mbugua, PE, dated April 2026. Special Conditions and Appendices contain more detailed information about the Project scope.

Award may be made to the lowest responsible and responsive bidder; however, the Authority reserves the right to reject all bids or any bid that is nonresponsive or submitted by a nonresponsive bidder.
