# SUMMARY OF CHANGES

**Block 14 (Description of Amendment/Modification):** The primary purpose of this amendment is to formally extend the proposal submission deadline and to notify offerors of an upcoming amendment containing official Government responses to submitted questions. The deadline for the receipt of proposals is hereby extended.  New Due Date: July 15, 2026, 09:00 AM

The Government is currently reviewing all Requests for Information (RFIs) and clarification questions submitted by prospective bidders. A subsequent amendment will be issued shortly. This future amendment will provide the official Government responses to all received questions, along with any necessary updates to the solicitation attachments (such as the Technical Exhibits and Attachments).

Offerors must acknowledge receipt of this amendment (and all prior amendments) prior to the hour and date specified in the solicitation or as amended. Failure to acknowledge this amendment may result in the rejection of your proposal.

Do not submit your final proposal until the subsequent Q&A amendment has been published, as the answers and updated attachments (like the revised ELIN sheet) may impact your pricing and technical approach. Ensure your proposal is submitted no later than the new deadline of July 15, 2026 at 09:00 AM.
